

WAYS TO FIGHT AGAINST ACCESS ISLAM

- Read the information on the Petition and sign the petition.
<https://www.change.org/p/secretary-of-education-betsy-devos-dump-access-islam-from-public-schools>
- Let others know of the petition, and ask them to sign it.
- Tell your pastors and parochial school principals about *Access Islam*. They may be able to use the information as an outreach tool.
- Go to the *Access Islam* website <http://www.thirteen.org/edonline/accessislam/index.html> and see for yourself what the program contains. Then you can talk knowledgeably about it.
- Go to your school district (or wherever the decisions are made about the curriculum for grades 5-12) and ask if they are using, or intend to use *Access Islam*. If they tell you “no” have them give you a statement in writing that they are not and will not use all or any portion of *Access Islam* in your school district.
- Contact your U.S. representative and senator objecting to this material, and request *Access Islam* be defunded, and removed from use.

Let me know if you can think of other ways to fight against *Access Islam*.
